The Pyramid Lake Paiute Tribe is hosting an Art show around the opening of the Burning Man Festival at the Pyramid Lake Museum in Nixon. The Tribe is looking for 10-15 artists to sell and display their work August 29th & 30th. The Tribe is also looking for at least 5 Tribal Members to sell food at this event. The booth spaces and registration is **FREE**, vendors will just have to provide their own shade, table ect. The Tribe is also looking for entertainment for the Art show and all entries are welcome. This event will be during Burning Man's opening week, so there are expected to be thousands of cars passing through. Don't miss your opportunity to participate and sell your artwork for free. All interested vendors are asked to register in advance with the Tribe. Booth spaces will be on a first come, first served basis.
