PYRAMID LAKE FOURTH OF JULY WEEKEND PRESS RELEASE

NIXON, NV, *6/28/10*: As the Fourth of July Weekend approaches the Pyramid Lake Paiute Tribe would like to remind visitors who are planning to spend this weekend at Pyramid Lake that all laws and regulations will be in effect. Due to the extended holiday weekend and a favorable weather forecast the Pyramid Lake Paiute Tribe is expecting a large crowd for this Fourth of July weekend. The Tribe would like to remind all visitors to the lake that day use, camping and other permits are required for all non-tribal members. Proceeds for permits help support water quality and environmental programs that protect the unique eco-system of Pyramid Lake year round. The Tribe would like to further remind visitors to the lake that fireworks are prohibited on all tribal lands and beaches. For more information please visit www.pyramidlake.us.

Fireworks are Prohibited

Although Pyramid Lake is located on the Pyramid Lake Indian Reservation, the Tribe would like to remind all visitors that Tribal regulations prohibit the use of fireworks on the reservation. Fireworks pose a danger to both public safety and to starting wildfires; any use of fireworks on the reservation may result in a substantial fine.

Trout Fishing Season Now Over

The Tribe would like to remind all fisherman and visitors to Pyramid Lake that trout fishing season that ended on June 30th. Trout Fishing at Pyramid Lake will open again on October 1st and run till June 30th 2011. For more information about fishing and the Tribal Fishing regulations please visit www.pyramidlake.us.

Online Permits Now Available

Visitors to Pyramid Lake can now save time and print their own day use, camping, boating, fishing and other permits online at home. Unlike at area stores, online permit sales do not

About Pyramid Lake and its People

Pyramid Lake is located about 35 miles Northeast of Reno, Nevada and is the property of and managed by the Pyramid Lake Paiute Tribe. Pyramid Lake is known as being North America's most beautiful desert lake. The lake occupies 112,000 surface acres inside the reservation boundary and has a shoreline of approximately 125 miles. The lake has no outlet and is a residual body remaining from the prehistoric Great Lake Lahontan water body. The lake is fed primarily by the Truckee River and is famous as a fishery for the Lahontan Cutthroat Trout and Cui-ui, which are on the endangered species list. The Pyramid Lake Indian Reservation is comprised of 476,728 acres. The Tribal memberships are direct descendants of the Northern Paiute people who have occupied the vast areas of the Great Basin for thousands of years. Pyramid Lake was designated as one of the first National Scenic Byways in the country and was the first scenic byway entirely on an Indian reservation.
