PYRAMID LAKE 2014 FISHING SEASON ADVISORY

Opening Day/Pelican Point Boat Launch Advisory

NIXON, NV, 09/29/14: As we all look forward to the Opening Day of Fishing Season here at Pyramid Lake, the Pyramid Lake Paiute Tribe would like to inform visitors that under a TIGER grant, the Tribe is performing road and parking lot construction improvements at the Pelican Point Boat launch and camping area starting June 26, 2014 to October 24, 2014.

During this time, the Tribe is going to maintain boat launch access and parking availability for as long as possible or until the boat launch and parking area is under actual construction. Camping in this area may be limited for the duration of the project. **Please be aware that heavy equipment will be in this area during normal work hours of 7am to 3:30pm. A Flagger will be on-site to help with traffic control, and signs will be clearly posted.**

During this project period, the Pyramid Lake Paiute Tribe will strive to keep everyone safe and greatly appreciates the public's understanding of this temporary construction to improve the Pelican Point area.

The Tribe would like to remind all watercraft users to use caution while on Pyramid Lake this summer. With the extreme drought conditions experienced throughout the region over the past several years, the lake level at Pyramid Lake has dropped below normal. All watercraft users are to be mindful of obstacles and exposed rock along the shorelines of the lake. Water safety equipment is critical; Don't Leave Home Without It.

would like to remind all visitors to the lake that day use, camping, and other permits are required for all non-tribal members to access the lake. Proceeds from permits help support programs that protect public safety and the unique eco-system of Pyramid Lake year-round. Seasonal permits are available for purchase online, and the recreation regulations are available online at the Tribe's website.

“Pack In Pack Out”
