**Page 21**  
**DEFINITIONS**

*NON-MOTORIZED BOAT. Includes nonpowered watercraft such as canoes, kayaks, stand up paddle boards and rowing boats, and wind powered watercraft such as small sailboats, sailboards, and kite boards that are less than 8 feet in length. Non-powered watercraft are propelled with paddles, oars, or poles; and the wind powered watercraft have no propelling machinery whatsoever, and are relatively short in length. This definition does not include personal floatation devices (float tubes, kiddie floats, fishing float tubes, and other types of novelty inflatable products).*

*DISABLED PERSON. Anyone who has a physical or mental impairment which substantially limits one or more of such person's major life activities, and has a current record of such impairment. To be eligible for a permit discount, the applicant must possess sufficient documentation of one of the following disabilities: developmental, hearing, mental, physical (including mobility, cardiovascular, respiratory and neurological), speech and visual.*
